phone: (702) 897-0275 | e-mail: [brian.mcconnell@harris.com](mailto:brian.mcconnell@harris.com)

HARRIS CORPORATION  
4393 DIGITAL WAY, MASON, OH 45040

## **Harris HD Radio™ Free Seminar Agenda:**

10:00am – 12:00pm

### **HD Radio Transmission with Geoff Mendenhall.**

Geoff will focus on the transmission schemes of HD Radio. He will introduce the new HT–HD+ transmitter from Harris, along with the new ZX line of rack mountable FM+HD transmitters. Geoff will also discuss the Harris FlexStar™ exciter and multi-channel HD Radio™ STL requirements.

12:00pm – 1:00pm

Lunch provided by Harris

1:00pm – 3:00pm

### **PR&E Studio Products, facility audio management/networking, and consoles with Paul Barzizza.**

Paul is bringing live demonstration equipment and will detail how the Harris VistaMax™ Audio Management System is handling the audio flow in radio facilities throughout the US. He will discuss the latest Harris consoles such as the RMXdigital and the new, low cost NetWave™ networkable console.
